### **AIM**

The basic requirement of an institution is to be sufficiently equipped with regard to necessary intellectual, academic and infrastructural resources in order to provide a conducive environment for effective teaching-learning process. Apart from this, an institution for higher education and learning should develop and apply quality benchmarks / parameters to achieve excellence. The objective of this one day seminar is to acquaint the participants with the need for assessment and accreditation so as to succeed in the above activities.

### **FOCUS**

The seminar focuses on dissemination of information on the various quality parameters required for Higher Education Institutions. The topics covered in the program are designed to rig up the institutions to face the challenges in this 21<sup>st</sup> century with regard to the following aspects:

- \* Academic Excellence
- \* Assessment and Evaluation Methodology
- \* Effective Documentation and presentation
- \* Quality Enhancement through  
Internalization of Quality Culture
- \* Institutionalization of Best Practices
- \* Total Quality Management (TQM) in Higher Education and the role of NAAC
- \* Media & Education, ICT enabled Education, E-learning, and Virtual Education

### **TARGET AUDIENCE**

Faculty members from Higher Education Institutions who are engaged in the implementation and management of Quality Systems.

### **RESOURCE PERSONS**

The lectures will be delivered by Senior Professors and Academic leaders with expertise and experience in maintaining quality systems.

### **ORGANIZING INSTITUTION**

PACE Institute of Technology & Sciences (PACE ITS), an ISO 9001:2008 certified institution was established under Srinivasa Educational Society in 2007-2008. It has been running successfully from the Academic Year 2008-09 and it is permanently affiliated to JNTU, Kakinada. It is accredited by NAAC with Grade 'A' in the year 2016. It offers 7 UG and 6 PG programs. PACE has several centers of Excellence and research laboratories. The college has signed MOU with Research organizations and industries in-order to promote closer interaction in the areas of technology development, training of students, curriculum updation and development of State-of-Art centers. The college is well-equipped with laboratories for all branches of Engineering. Due to the excellent academic climate in the campus, UG and PG Students of our college enjoy good campus placement prospects.

### **ORGANIZING CENTRE**

The Internal Quality Assurance Cell (IQAC) is a participative cell of PACE ITS that works on evolving strategies to remove deficiencies and enhance quality, thus channelizing the efforts of the Institute towards achieving holistic academic excellence. IQAC is aimed to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution. IQAC promotes measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
