

Important Dates

Abstract Submission : 21-02-2017
Acceptance of Manuscript : 27-02-2017
Last date for Registration : 03-03-2017

Registration Fee

Students : Rs.1200
Academicians : Rs.1500
Industry Participants : Rs.2000
Foreign Delegates : USD150

Note:

Registration fee should be submitted as DD in the name of **PACE EEE HOD** payable at ONGOLE.

Accommodation

Accommodation can be arranged on the request of participants on Payment basis.

Visitor Place nearby Institute

Kothapatnam beach, Gundlakamma Dam, Valluramma Temple.

Submission Details

Authors are requested to submit a soft copy of the Paper in the word document (maximum 6 pages or maximum 1800 words) as per the conference manuscript format (refer conference website) on or before **21-02-2017** to the following mail id icacece2017@pace.ac.in. Selection will be intimated through email. The selected Papers for the presentation will be published in the conference proceedings and published in an IJASTEMS, Peer reviewed journal. Registration form along with DD has to be sent to the mentioned mailing address.

ORGANIZING COMMITTEE

About the Institute:

PACE Institute of Technology and Sciences, Ongole, has been established with a vision and a mission to develop it as an incubator of innovation and knowledge- creation in the field of science and technology. PACE got established under Srinivasa Educational Society in 2007 at Valluru village, Ongole in the academic year 2008-09. PACE is a premiere Technology Campus that has over 8 years of glorious history in motivating the students to develop questing minds and creative envisioning and chase their aspirations, with a sense of purpose in life. Part of multi-million dollar PACE group, our college addresses a broad range of interests and industries.

About The Department

The Department of Electrical and Electronics Engineering has been established in 2008. The Department offers UG and PG Programmes. Sixty students in the UG programme and eighteen students in the PG program with Power Electrical specialization. The Department comprises highly qualified and efficient faculty members in which we see the utmost encouragement to the students. Class rooms are well equipped with the latest audio-visual equipment and modern laboratories. The Department provides adequate computing and sufficient library facilities. The Department has a stern Industry- interaction and also offers testing and consultancy services.

About The Conference:

The main focus of the conference is on different aspects such as it provides a Platform

and assists to share their ideas and also provide an interdisciplinary forum for researchers, practitioners and educators to present and discuss recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Computers, Electrical and Communication Engineering.

Themes of the Conference

- Computer and AI Applications in Power Industry
- Distributed Generation, Fuel Cells and Renewable Energy Systems
- Intelligent Machines and Control Systems
- Power Electronics and Power Drives
- Power Optimization
- Predictive Control
- Power Quality
- Power System and its Automation
- Power System Reliability and Security
- Power Systems Communication
- Computational and Artificial Intelligence
- Computer Networks
- Image Processing
- Signal Processing
- Mobile Computing
- Sensor networks
- Embedded Systems
- Bioinformatics and Biosciences
- Biomedical Engineering
- IOT (Internet of Things)

REGISTRATION FORM INTERNATIONAL CONFERENCE ON ADVANCES IN COMPUTING, ELECTRICAL AND COMMUNICATION ENGINEERING

10th - 11th MARCH, 2017

Name of the applicant :

Designation & Department :

Academic Qualification :

Mailing Address :

Tel: (Res) (Mob)
(Office) FAX
