

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

TEACHING AND LEARNING PRACTICES

Electrical and Electronics Engineering being a rapidly changing field which requires continuous learning to be updated in the particular profession and the pedagogies play an important role in development of the content. Faculty members use various pedagogical methods for effective teaching learning process:

Instructional methods and pedagogical initiatives:

2	Guest Lectures & Invited Talks	Guest Lectures and & Invited Talks are fundamental in breaking down the barriers of the classroom walls to deepen learning. The experience gives students the opportunity to connect with professionals and create meaningful learning connections.	
3	Project Based & Working Models	Project Based & Working Models Learning helps to gain a deeper interest in understanding course content, students will develop critical thinking, analytical reasoning, teamwork skills, and creativity. They'll also build confidence by taking control of their learning and guiding their unique path through the project.	At to Darki HC CR 100500405
4	Seminars & Presentations	Seminars & Presentations giving at the college and outside gives confidence and practical approach to learn about a topic in a detailed manner to keep aware and updated about the technologies changes/advancements towards the need of industry.	
5	Industrial Visits & Field Trips	Industrial visits & Field Trips provide students an insight into the real working environment, workstations, plants, machines, systems, and interact with highly trained and experienced personnel. Students learn a lot of things that will help in their development and also for the future.	
6	Quiz & Group Discussions	Participating in Quiz & group discussion facilitate knowledge enhancement, better communication skills, and encourage the exchange of ideas among peers.	

PACE INSTITUTE OF TECHNOLOGY & SCIENCES

(AUTONOMOUS) Approved by AICTE and Govt.of Andhra Pradesh, Accredited by NAAC(A Grade) | Recognized under 2(f) & 12(B) of UGC Permanently Affiliated to JNTUK, Kakinada. A.P. JAn ISO 9001:2015, ISO 14001:2015 and ISO 50001:2018 Certified Institution NH-16, Near Valluramma Temple, ONGOLE - 523 272, A.P., India, Ph.: 08592 278315, 9581456310 | www.pace.ac.in
