## **PACE Institute of Technology and Sciences**

PACE Institute of Technology and Sciences, established in 2008 under the Srinivasa Education Society at Valluru near Ongole, has grown into a premier institution for higher education. With a vision to provide world-class technical education in a rural domain, PACE was founded by Dr. M. Venugopal Rao, Chairman, and Dr. M. Sridhar, Secretary & Correspondent, beginning with a modest strength of 240 students in its inaugural academic year 2008–2009.

Over the years, under the stewardship of an enlightened management and dedicated faculty, PACE has transformed into a hub of academic excellence with over 6000 students on its rolls today. The institution is spread across a panoramic 20-acre campus, equipped with state-of-the-art infrastructure, modern laboratories, digital classrooms, research facilities, and centers of excellence that nurture innovation and entrepreneurship.

PACE has earned recognition and pride as a pioneer in higher education in this region. Approved by AICTE, New Delhi, the institute initially started with B.Tech programs in EEE, ECE, CSE, and IT (2008), later expanding with Civil and MBA (2009), Mechanical and Automobile Engineering (2010), and subsequently M.Tech programs in CSE, ECE, and EEE (2012). Diploma programs in EEE and Mechanical were introduced in the same year with approval from the State Board of Technical Education, Andhra Pradesh.

Today, PACE offers a wide range of Undergraduate, Postgraduate, and Diploma programs including B.Tech, M.Tech, MBA, and Diploma, aligned with the evolving demands of industry and society. The programs are continuously upgraded to meet global standards, with a strong focus on AI, Cybersecurity, IoT, Data Science, and other emerging technologies.

In addition to academics, PACE has fostered a culture of research, innovation, and entrepreneurship, supported by its industry collaborations, incubation centers, and student-led clubs. The institute has also expanded its international collaborations, recently partnering with institutions like Universiti Teknikal Malaysia Melaka (UTeM) for joint research, student/faculty exchange, and capacity building.

A significant milestone in infrastructure development is the upcoming indoor auditorium with 1000-seating capacity, a 70MM big screen, two green rooms, and a cafeteria, which will serve as a hub for academic, cultural, and professional events.

With a strong alumni network excelling in reputed companies worldwide, a vibrant placement cell connecting students to top recruiters and with its proactive approach, the cell consistently attracts top recruiters from across India, ensuring that students step into their professional careers with confidence.

Coupled with this, PACE boasts a strong alumni network excelling in reputed organizations worldwide, who not only reflect the institute's quality of education but also mentor and guide current students, creating a cycle of continuous growth and success.

PACE ITS stands today not just as an institution, but as a movement of knowledge, innovation, and service,empowering students to be globally competent professionals with strong values and leadership.
