CHAIRMAN

MESSAGE

It is envisioned to develop the college as a world-class institute, pervaded with a vibrant academic culture in which the students acquire the technical skills, human skills, other critical abilities, and talents in order to enable them academically outstanding, intellectually brilliant, emotionally balanced and globally competitive in the field of science and technology in this knowledge-based world. The students at PACE will be trained as passionate, active, enthusiastic, self-motivated, self-disciplined, inner-inspired, and inner-directed students, who can run their own race and chase their own passions with a sense of purpose in life

Dr.M.Sridhar

**B.E, M.Tech, MBA
SECR ETARY**

MESSAGE

I am immensely glad to note that you have shown a keen interest in joining our institute. Our institute is not merely one of five hundred institutes in AP and one in eight thousand in the country. We are distinctive and outstanding in various ways of teaching and learning methodologies. We are well known across the globe for the unique training in India, we also have training centers overseas like USA and U.K. As NRIs, we would like to generate and disseminate world-class technical education to the Indians in general and to the AP people in particular. The infrastructure and other facilities are on par with world-class technical institutes.

Dr. M. Vasu Babu

Vice President

MESSAGE

My Dear students and educators from across the World, I feel that the basic principle of transforming society is by transforming education. The whole world can be illuminated by the light of Education and in this endeavor, you, our beloved students, and educators are the torchbearers to radiate the essence of education. Here, in PACE, we are incessantly putting efforts into providing a robust environment, so that all learn and grow together. In today's world, the most important thing is to challenge oneself each day and honestly take action to make a better version of yourself.

Dr. G. V. K. Murthy

B.E, M.Tech, Ph.D

PRINCIPAL

MESSAGE

I am proud to be the principal of PACE IT&S and privileged to associate myself with this program. The Institute is progressing multi- Dimensionally in Teaching, Research, Consultancy, Engineering, and Technology. Students have been active in co-curricular and extra-curricular activities and bringing laurels to the college.

I am glad that the teaching staff, non-teaching staff, and students of the College are actively participating in various developmental activities of the Institute.

On this occasion my best wishes to all the faculty members, non- teaching staff, and students of the Institute.

PACE Institute of Technology and Sciences

PACE Institute of Technology and Sciences, established in 2008 under the Srinivasa Education Society at Valluru near Ongole, has grown into a premier institution for higher education. With a vision to provide world-class technical education in a rural domain, PACE was founded by Dr. M. Venugopal Rao, Chairman, and Dr. M. Sridhar, Secretary & Correspondent, beginning with a modest strength of 240 students in its inaugural academic year 2008–2009.

Over the years, under the stewardship of an enlightened management and dedicated faculty, PACE has transformed into a hub of academic excellence with over 6000 students on its rolls today. The institution is spread across a panoramic 20-acre campus, equipped with state-of-the-art infrastructure, modern laboratories, digital classrooms, research facilities, and centers of excellence that nurture innovation and entrepreneurship.

PACE has earned recognition and pride as a pioneer in higher education in this region. Approved by AICTE, New Delhi, the institute initially started with B.Tech programs in EEE, ECE, CSE, and IT (2008), later expanding with Civil and MBA (2009), Mechanical and Automobile Engineering (2010), and subsequently M.Tech programs in CSE, ECE, and EEE (2012). Diploma programs in EEE and Mechanical were introduced in the same year with approval from the State Board of Technical Education, Andhra Pradesh.

Today, PACE offers a wide range of Undergraduate, Postgraduate, and Diploma programs including B.Tech, M.Tech, MBA, and Diploma, aligned with the evolving demands of industry and society. The programs are continuously upgraded to meet global standards, with a strong focus on AI, Cybersecurity, IoT, Data Science, and other emerging technologies.

In addition to academics, PACE has fostered a culture of research, innovation, and entrepreneurship, supported by its industry collaborations, incubation centers, and student-led clubs. The institute has also expanded its international collaborations, recently partnering with institutions like Universiti Teknikal Malaysia Melaka (UTeM) for joint research, student/faculty exchange, and capacity building.

A significant milestone in infrastructure development is the upcoming indoor auditorium with 1000-seating capacity, a 70MM big screen, two green rooms, and a cafeteria, which will serve as a hub for academic, cultural, and professional events.

With a strong alumni network excelling in reputed companies worldwide, a vibrant placement cell connecting students to top recruiters and with its proactive approach, the cell consistently attracts top recruiters from across India, ensuring that students step into their professional careers with confidence.

Coupled with this, PACE boasts a strong alumni network excelling in reputed organizations worldwide, who not only reflect the institute's quality of education but also mentor and guide current students, creating a cycle of continuous growth and success.

PACE ITS stands today not just as an institution, but as a movement of knowledge, innovation, and service,empowering students to be globally competent professionals with strong values and leadership.

VISION

Our vision is to impart futuristic technical education to transform the students into technically superior, ethically strong, and self-disciplined to serve the nation as a valuable resource.

MISSION

- To inculcate quality education by implementing innovative teaching-learning methods and state-of-the-art facilities..
- To enrich the intellectual know-how, credibility, and integrity of the students to necessitate industry.
- To recognize as scholarly and influential leaders in engineering education and to develop human power with creativity and passion for the advancement of future nations.

CORE VALUES

Holistic Development

At PACE, we nurture a value driven culture that emphasizes the holistic growth of our students and staff. Our approach integrates academic excellence with ethical, emotional, and intellectual development.

Integrity

We uphold the highest standards of integrity, instilling values such as honesty, discipline, perseverance, and sincerity. Our inclusive work culture fosters respect for all students, faculty, and staff, irrespective of their backgrounds or beliefs.

Transparency and Empowerment

We believe in transparency across all institutional interactions. By valuing ideas and respecting diverse perspectives, we promote a culture where individuals are empowered and encouraged to grow with dignity and confidence. Our policies reflect this commitment to personal and professional development.

Commitment and Accountability

We inspire a spirit of dedication among students and staff, nurturing their talents to achieve excellence. Each member takes pride in their responsibilities, ensuring accountability at all levels. Our systems undergo regular evaluation to adapt to evolving needs, underscoring our commitment to continuous institutional growth.

Social Responsibility

Social commitment is central to our mission. Along with technical proficiency and ethical values, we instill a sense of responsibility toward society and the environment. Our students are encouraged to contribute positively, driving meaningful change in the community.

FEEDBACK

FEEDBACK ANALYSIS AND REWARD/CORRECTIVE MEASURES TAKEN, IF ANY

The feedback mechanism is a well-organized system in the college. The system of feedback collection is automated. For each student in a class, a new ID is created, by using that the student can log into the feedback marking software without giving their names. Once they logged in to the software, the list of faculties taking courses in that class will be displayed. They can enter their feedback according to a questionnaire. The software will analyze the collected feedback and summarize the to head of the department with marks secured. HOD will analyze the feedback of each faculty and will take necessary actions.

An over view of Feedback Evaluation for Faculty Members

Feedback Analysis Process

A committee consisting of the Principal, Director, and concerned Head of the Department will analyze the feedback and direct appropriate actions.

Reward/Corrective Measures, if any

Based on feedback collected from students on faculty and the result analysis, the following reward/corrective measures are taken in the institution

Corrective Measures

- Counsel the faculty who scored less than 65% feedback from the students
- Arranging Faculty development programs by eminent faculty in the institution
- Issuing advisory memos

Feedback Measures

Percentage	Description
>=90	Excellent
>=80to<89	Good
>=65to<79	Satisfactory
<65	Need to Improve

Based on the suggestions and feedback given by the students the Head of the department summarizes the feedback and submits a consolidated report to the principal who in turn discusses it with the management in order to solve the problems.

The following are the details of the collection of feedback on facilities from the students

- Mode of Collection of Feedback: Online
- Frequency of Collection: Every Semester

The following are the facilities that have been created as a result of the feedback.

- The size of the canteen as been increased considerably.
- Drinking water facility has been provided on all the floors of all blocks.
- A Good number of sports facilities have also been created.
