PACE AT A GLANCE

PACE Institute of Technology and Sciences (PACE ITS) was established under Srinivasa Educational Society in 2007 at Valluru village, near Ongole. It has been running successfully since the academic year 2008-09. PACE, being an NRI's project is committed to provide a world class technical education. PACE Institute of Technology and Sciences is permanently affiliated to JNTUK, Kakinada and approved by AICTE, New Delhi. The institution was accredited by "NBA" and NAAC with "A" grade. The institution has got the AUTONOMOUS status in 2018. The college is situated in a panoramic area of 14 acres with Wi-Fi enabled infrastructure, well ventilated classrooms and well equipped laboratories. As a provision for physical fitness, the college also has a sports field and indoor stadium.

This institution was started by Dr. Maddisetty Venugopal Rao, Chairman and Dr. Maddisetty Sridhar, Secretary and Correspondent, with a modest strength of 240 and now, the institute has an intake of 1000+students. The college offers B. Tech Degree in ECE, CSE, CSE (IoT and Cyber Security), CSIT, AI & ML, AI & DS, EEE, IT, Mechanical, Electronics Engineering (VLSI Design and Technology) and Civil. The college also offers courses like MBA, M. Tech and Diploma.

Vision

To impart futuristic technical education transforming the students technically superior, ethically strong, self-disciplined to serve for the nation building as a valuable resource.

Mission

- To inculcate quality education by implementing innovative teaching-learning methods and state-of-the-art facilities.
- To enrich the intellectual know-how, credibility and integrity of the students to necessitate industry.
- To transform the students as scholarly and influential leaders in engineering education, and to develop human power with creativity, advanced technology and passion for the betterment of future nation.

NCC

STUDENTS' ACHIEVEMENTS

The NCC Cadets of PACE Institute of Technology and Sciences have attained a commendable selection for the coveted posts of GCI, Indian Army, and APSP Constable. A total of three cadets have been conferred these distinguished honours. The cadets thus selected are M. Ajay, appointed to the APSP Constable; Athamkuri Malleswari, designated for the GCI; and B. Chakravarthy, enlisted into the Indian Army Agniveer. This remarkable feat stands as a testament to the unwavering dedication, rigorous training, and disciplined ethos inculcated within the institution's NCC unit. Selection for central and state government positions not only brings laurels to the cadets but also augments the institution's reputation for nurturing leadership, patriotism, and excellence among its students. This milestone was realized under the visionary stewardship and unwavering patronage of the Secretary and Correspondent, Dr. Maddisetty Sridhar; the Principal, Dr. G. V. K. Murthy; the Dean of Academics, Dr. C. V. Subba Rao; the Dean of Students' Affairs, Dr. R. Veeranjaneyulu; the Dean of Training and Placements, Ms. K. Roopa Akkesh; the Administrative Officer, Mr. M. Ramana Babu; and all Deans and Heads of Departments, for their steadfast encouragement and support. Furthermore, this accomplishment would not have been feasible without the assiduous mentorship and rigorous training imparted by Mr. Vasantha Rao, whose tireless efforts and expert guidance proved instrumental in preparing these cadets to excel at the selection camp and bring immense pride to the institution.

CIVIL ENGINEERING

FROM CLASSROOM TO NATION'S FRONTLINE

The students from the Department of Civil Engineering at PACE Institute of Technology and Sciences have earned a praiseworthy selection into the Indian Army Agniveer. Two students, in all, have been honoured with this distinguished accolade. Those thus chosen are Mr. Gali Vamsi and Mr. Keerthi Chandra Sekhar, both inducted into the Indian Army. This notable accomplishment serves as a testament to the steadfast commitment, intensive training, and disciplined ethos ingrained within the institution's NCC unit. Selection for central and state government positions not only garners accolades for the cadets but also elevates the institution's standing for cultivating leadership, patriotism, and excellence among its students. This landmark achievement was accomplished under the sagacious guidance and steadfast patronage of the Secretary and Correspondent, Dr. Maddisetty Sridhar; the Principal, Dr. G. V. K. Murthy; the Dean of Academics, Dr. C. V. Subba Rao; the Dean of Students' Affairs, Dr. R. Veeranjaneyulu; the Dean of Training and Placements, Ms. K. Roopa Akkesh; the Administrative Officer, Mr. M. Ramana Babu; Heads of the Department of Civil Engineering Mr. Durga Varaprasada Rao and all Deans and Heads of Departments, for their unwavering encouragement and support. Furthermore, this accomplishment would not have been possible without the careful mentoring and demanding training provided by the Civil Department and the Training and Placements Cell.

FACULTY'S ACHIEVEMENTS

Thirteen esteemed members of the faculty from PACE Institute of Technology and Sciences have successfully completed the Python course (4 Credits) and the LaTeX course (2 Credits) under the prestigious National Summer Faculty Development Programme conducted by Spoken Tutorial, IIT Bombay. This notable accomplishment underscores the faculty's unwavering commitment to academic excellence, continuous professional enrichment, and the pursuit of advanced technical proficiency. The programme, a nationally recognized initiative, provided the participants with a valuable opportunity to augment their competencies in contemporary programming and scholarly documentation-skills that are indispensable in today's technology-driven academic landscape. The successful completion of these courses stands as a testament to the faculty's diligence, intellectual curiosity, and dedication to remaining at the forefront of pedagogical and technical innovation. This milestone was accomplished under the sagacious guidance and steadfast patronage of the Secretary and Correspondent, Dr. Maddisetty Sridhar; the Principal, Dr. G. V. K. Murthy; the Dean of Students' Affairs, Dr. R. Veeranjaneyulu; the Dean of Training and Placements, Ms. K. Roopa Akkesh; and all the Deans and Heads of Departments, whose unwavering encouragement and support were instrumental in the successful completion of the Faculty Development Programme. Their collective commitment to fostering a culture of lifelong learning continues to elevate the institution's standing as a beacon of academic distinction.

PACE POLYTECHNIC COLLEGE

INAUGURATES FIRST-YEAR CLASSES

PACE Polytechnic College achieved 100% admissions for the Academic Year 2026–27, marking a significant milestone with the inauguration of first-year classes. This success is attributed to the collective dedication and commitment of the PACE family. Dr. Maddisetty Sridhar, Secretary and Correspondent, praised this accomplishment, noting his visionary leadership and encouragement as crucial to this achievement. The achievement highlighted in the document is attributed to the valuable guidance and dedicated efforts of several key individuals associated with PACE Institute of Technology and Sciences. Notably recognized are Dr. G. V. K. Murthy (Principal), Dr. R. Veeranjaneyulu (Dean of Students' Affairs), Mr. M. Ramana Babu (Administrative Officer), Dr. C. V. Subba Rao (Dean of Academics), and Ms. K. Roopa Akkesh (Dean of Training and Placements). Additionally, the success of the Inaugural Function is credited to the cooperation from Heads of Departments, faculty, non-teaching staff, students, alumni, parents, and well-wishers. Mr. G. Koti Reddy, Principal of the Polytechnic College, and his team played a crucial role in the meticulous coordination of the event, contributing to its grand and memorable nature. The inauguration featured a ceremonial lamp lighting and a welcome address by the Principal to dignitaries, parents, and students. An orientation session offered insights into the academic curriculum, attendance policies, facilities, and student support. Keynote speakers discussed diploma opportunities, while parents expressed gratitude for the faculty's warmth and thorough orientation. Additional comments applauded PACE Polytechnic College's growth and dedication. The event concluded with the PACE community reaffirming its commitment to academic excellence and holistic development, emphasizing the institution's legacy of trust and distinction.

NSS

AWARENESS PROGRAMME ON AP NASSCOM SKILL COURSES

PACE Institute of Technology and Sciences, under the aegis of NSS Unit-I, convened an Awareness Programme on AP NASSCOM Skill Courses to enlighten students about the significance of skill enhancement and career-oriented online certification. The initiative drew enthusiastic participation from students across diverse departments and encouraged them to capitalize on the complimentary courses offered by the platform, which are structured to augment employability and equip learners for the evolving demands of industry. The chief guest, Mr. M. Srimanarayana, CEO of the STEP Department, Prakasam District, delivered an illuminating session on the value of acquiring industry-relevant competencies alongside academic education. He underscored the escalating importance of continuous learning in today's competitive job market and urged students to leverage this government-supported platform for certifications that would fortify their résumés and enhance career prospects, recounting success stories of beneficiaries who secured superior employment. The management commended NSS Unit-I's initiative and thanked Mr. M. Srimanarayana for his invaluable guidance. The endeavour was greatly enriched by the continuous and magnanimous support of the PACE Management - the Secretary and Correspondent, Dr. Maddisetty Sridhar; the Principal, Dr. G. V. K. Murthy; the Dean of Academics, Dr. C. V. Subba Rao; the Dean of Students' Affairs, Dr. R. Veeranjaneyulu; the Deans and Heads of Departments; the NSS Programme Officers, Dr. M. Mallikarjuna Rao and the faculty members - whose collective encouragement proved pivotal to its successful fruition.

BLOOD DONATION CAMP

PACE Institute of Technology and Sciences, under the aegis of NSS Unit-I, organized a Blood Donation Camp in collaboration with the Government General Hospital (GGH) Blood Bank on 23 July 2026, commemorating the birthday of the Secretary and Correspondent, Dr. Maddisetty Sridhar, with the noble objective of promoting voluntary blood donation and fostering awareness of the life-saving significance of this selfless act. The camp elicited an overwhelming response from students, faculty and staff, reflecting the institution's steadfast commitment to social responsibility. A team of experienced doctors, blood bank officials, nurses and technicians from GGH conducted the camp in strict adherence to prescribed medical protocols and safety measures. The camp was formally inaugurated in the gracious presence of Dr. Maddisetty Sridhar, who commended the NSS volunteers and students for their enthusiastic participation. Underscoring the paramount importance of voluntary donation, he remarked that a single unit of blood can save multiple lives, and exhorted students to embrace donation as a regular social responsibility while engaging in humanitarian endeavours that contribute to societal welfare. Prior to donation, the medical team performed health assessments, including haemoglobin tests and fitness evaluations, to determine donor eligibility and educate students on the benefits and precautions of blood donation. A total of 100 students donated blood, showcasing their compassion and social commitment, and were recognized with refreshments and certificates. NSS Programme Officers expressed gratitude to the GGH Blood Bank and college management for their support. The event concluded with a vote of thanks, promoting the message "Donate Blood, Save Lives" and encouraging humanitarian values among students.

The programme was conducted under the guidance of the college management, whose magnanimous support-including the Principal, Dr. G. V. K. Murthy; the Dean of Academics, Dr. C. V. Subba Rao; the Dean of Students' Affairs, Dr. R. Veeranjaneyulu; the Deans and Heads of Departments; the NSS Programme Officer, Dr. M. Mallikarjuna Rao; and the faculty members-proved pivotal to its successful fruition.

The Health Watch Committee of PACE, in collaboration with KIMS Hospitals, Ongole, convened a complimentary Health Check Camp featuring a Cancer Screening on Wheels initiative on July 9, 2025, from 10:00 AM to 4:00 PM on the PACE campus. This commendable endeavour was orchestrated under the discerning stewardship of Mr. Kakarlapudi Srinivasulu, Coordinator of the Health Watch Committee. The camp sought to sensitize and empower students on matters of vital health concern by offering accessible screening facilities, illuminating awareness sessions, and practical take-home guidance to foster proactive health stewardship. Participants availed themselves of on-site consultations, preliminary health assessments, and carefully curated informational resources tailored to diverse health needs, all within a nurturing atmosphere that encouraged sustained dialogue and health-conscious decision-making across the student community. Particular gratitude is owed to the Secretary and Correspondent, Dr. Maddisetty Sridhar; the Principal, Dr. G. V. K. Murthy; the Dean of Academics, Dr. C. V. Subba Rao; the Dean of Students' Affairs, Dr. R. Veeranjaneyulu; the Deans and Heads of Departments; the Coordinator of the Health Watch Committee; and the esteemed members of the faculty, whose collective endorsement was pivotal to its fruition.

EDITORIAL NOTE

Welcome to the monthly newsletter! This is your window into the heart of PACE Institute of Technology and Sciences. Here, we celebrate achievements, share insights, and build community. We're excited to embark on this journey with you. Please share your thoughts, feedback, and ideas to help us shape future editions. Thank you for being a part of this exciting initiative.

Warm Regards, **Ratna Raju Chegudi, Chief Editor of the Monthly Newsletter of PACE.**

SLEEP HYGIENE TIPS

"Sleep to Succeed": Why All-Nighters Are Costing Students More Than They Gain?

Adults require 7-9 hours of sleep, but approximately 60% of college students struggle with sleep. Factors like late-night studying, irregular schedules, and caffeine contribute to chronic sleep debt by disrupting the body clock, leading to shorter, lighter sleep and loss of essential deep and REM stages necessary for consolidating learning.

Other Effects:

- **Memory and focus:** Sleep-deprived students struggle to concentrate and retain information, so an all-nighter often undoes the studying it was meant to support.
- **Mood and stress:** Poor sleep heightens anxiety, irritability and low mood.
- **Immunity and health:** Chronic sleep loss weakens immunity and is linked to weight gain and fatigue.

Protective Tips:

- **Keep a Schedule:** Sleep and wake at consistent times, even on weekends.
- **Cut off Caffeine:** Avoid tea, coffee and energy drinks at least 6-8 hours before bed.
- **Create a Wind-down Routine:** Dim the lights and put the phone away 30-60 minutes before bed.
- **Study Smart:** Plan revision in short sessions across days instead of cramming overnight.
- **Limit Naps:** Keep daytime naps to 20-30 minutes, and not late in the evening.
- **Make your Room Sleep-friendly:** Keep it cool, dark and quiet, and use the bed only for sleeping.
